

Vision for Asia

Empower Educate Liberate

We aim to provide life-changing assistance for those in poverty in Asia.

Vision for Asia is a UK based voluntary Christian Charity operating within Asia.

Seeking to alleviate poverty and suffering, bringing hope and relief.

They aim to provide practical and spiritual support to communities suffering hardship, no matter their faith. We believe in showing God's compassion, love, and hope to all those we help.

For more information on donation and getting involved, see their website listed below.
